Re: United States of America v. Sandy Carazas-Pinez
Case No. 23CR346

Your Honor:

My client, Mrs. Cazaras-Pinez is respectfully requesting you amend your order permission to continue living in her parents' home. Although her 9 year old niece also lives in the residence. Pre-Trial Services has reviewed the situation and does not oppose the application, as long as Mrs. Pinez is supervised when the niece is in the residence.

We have also spoken with the AUSA who does not oppose the application with the same supervision conditions.

Thank you in advance for your consideration.

Respectfully Submitted,

MARIO F. GALLUCCI

MFG/mt

The request is granted. Defendant's bail conditions are modified so that she may live in her parents' home with her niece, provided that she is supervised by an adult whenever her niece is in the residence.

SO ORDERED.
